Accommodation and Travel: Please book your accommodations EARLY to guarantee a reservation. Please see the [Logistics](#) page for suggestions for hotels.

Meeting code of conduct:

This is the first DESC meeting since the Collaboration Council ratified the collaboration's [Professional Conduct Policy](#). Of most immediate relevance is the meeting code of conduct (page 5) and the meeting contact person policy (page 6). All attendees will be asked (when they pick up their nametag) to sign indicating that they have read and will abide by the code of conduct policy. As the second policy describes, the Meeting Contact Persons are available to meeting participants who are experiencing conflicts or disputes as part of the DESC meeting activities. The following DESC members have kindly agreed to serve in this role for this DESC meeting, and have been confirmed in this role by the Collaboration Council:

This will be a **Hack Day** similar to the ones held at the [SLAC 2015](#), [ANL 2015](#), [SLAC 2016](#), and [Oxford 2016](#) collaboration meetings. Meeting rooms will be available for groups to get together and get stuff done, between 9am and 6pm. What makes it a "Hack Day" is that we'll gather at the start of the day, to advertise our projects, and then again at the end, to celebrate the things we have made. **Follow this link to sign up, please!**
